# Scenic Run to North Yorkshire Moors Centre

2

Remember to zero your odometer before leaving the hotel. The route will take you to the Moors National Park Centre in Danby, YO21 2NB. From there you can choose to follow the route further to the Lion Inn Kirby Moorside via Rosedale Chimney Bank, one of the steepest hills in England!

Please take extra care when on the narrow, single track lanes used on of this route and please be wary of cyclists, walkers and numerous (and not very bright!) sheep, not necessarily in that order! Be on guard against local tractor and 4 x 4 drivers who won't necessary slow down when passing! The names of villages which the route passes through are normally mentioned in the instructions, so if in doubt, just press on to the next named village. (Abbreviation: SP- Sign post)

Mileage's are as accurate as most Morgan odometers but please allow for any variation peculiar to your car. Many miles require 2nd or 3rd gear work so your MPG will be significantly reduced.
